

DEENI TA'LIM:-

We want Technocrats with Prophetic Character

Along with academic education PMET made a provision for DEENI TA'LIM to preserve Islamic culture among the students. To make them understand the importance of Salah, Ibadath, HusneAkkhlaq and other virtues PMET has appointed an experienced Aa'leem who teaches Students Qur'an, Namaz and Necessary Basic Islamic education. A representative from DarulUloomKantharia visits and evaluates the studentsevery months. We are woeful to DarulUloomKantharia for this noble sevice.

The students offer five times Namaz punctually. During Ramadan Taraweeh is also performed. In hostel we have five students who are Hafiz. Thus the students are provided Islamic atmosphere.
