

## **CA (CHARTERED ACCOUNTANCY)**

### **ADOPTION PROGRAMME :-**

PMET decided to motivate and encourage Muslim students to take up challenges in the field of professional accounting. PMET launched CA adoption scheme. The students are selected in CA programme on the basis of their performance in the entrance test and interview conducted by professionals. Those who are qualified are offered total adoption scheme which includes free lodging, boarding, coaching, tuition fee and other related educational expenses. The total average expense per student per year is Rs. 75000/-.

At present 33 students (boys) have been adopted for the program and they stay in the hostel and striving to become CA As we do not have the separate residential facility for girls, PMET decided to adopt the girls who live in Surat as a pilot project to inspire girls to become CA At present 6 girls are sponsored under CA Adoption Scheme. They are given total educational expense. The total average expense per girl student per year amounts to Rs. 45000/

The CA Exam is a very challenging national level exam. The result of the CA institute is usually ranges from 4% to 13%. In last 4 years PMET result of CA students at various levels i.e. CPT, IPCC and Final is much above the national, state and major commercial cities of India.

**In last 4 years PMET has produced 8 Chartered Accountants** and all of them were immediately absorbed in India and Abroad. Our Two CA students became partners at the age of 24 in a local CA firms owned by JAIN and Marwari families.

### **Advantages / Challenges / Merits of CA Studies:-**

1. Chartered Accountancy- A very challenging field
2. National Level Exam- Result 4% to 13%
3. There are great opportunities at the national and international job markets.
4. With new govt. policies i.e. VAT, GST, Ind As etc. The employment opportunities for qualified CA have increased significantly.
