

## **GIFTED30 PROJECT:-**

Qualitative Education is the mission of PMET. GIFTED30 is a great leap in that direction. Alhamdulillah, in collaboration with MMMCT (ManubarwalaMunshi Memorial Charitable Trust) Bharuch, PMET has launched the ambitious project GIFTED30. Zignasa, the top Coaching Center in Surat city has become a Partner in Education to in the city to meet the challenges in preparing students for the entrance exam of JEE and AIPMT. GIFTED30 is a humble effort to provide the base (free of cost) to the talented Muslim students of Gujarat State who aspire to be doctors and engineers to meet national and international standards. There are 85 girls and boys currently enrolled in GIFTED30. It is a hostel based program. Boys are accommodated in PMET hostel at Surat and Girls are accommodated in VCT hostel (Valibhai Charitable Trust), Munshi complex at Bharuch.

Boys and Girls are trained for 2 years to prepare them for AIPMT (All India Medical Entrance Exam) and JEE (National Level Engineering Entrance Test ). Cost per student per annum is around Rupees 1, 30,000 . In the academic year 2016-2017, 31 Boys and 17 Girls are enrolled in this project. Currently 82 boys and girls are taking the advantage of GIFTED30 program.

## **Selection Process:-**

- Students for the GIFTED30 program are selected through written tests conducted at more than 26 different centers all over Gujarat in April each year. More than 2500 students took the test in 2016.
- 300 Candidates who successfully cleared the test short listed for personal interview at PMET campus/Surat (boys) and MMMCT campus/Bharuch (girls).
- The interviews were conducted by well qualified and highly experienced professional interview panel members from Surat, Mumbai, Vadodara, Jaipur, Kolkata and Arunachal Pradesh.

## **Advantages / Merits of GIFTED30:-**

1. To provide a platform for young talents to produce best in themselves.
2. To produce competent professionals and committed Muslim to spread message of “Universal Brotherhood “
3. To bridge social-economic divide in India by creating future leaders in key professions.
4. To prepare future potential professionals for Engineering/Medical NATIONAL tests with special emphasis on under-privileged students.
5. To extend our social – responsibility towards the deserving talents by providing School fees, Transportation expenses, books and stationery, food, accommodation, tuition fees, examination fees etc.
6. **The annual expenditure per learner is between Rs.120, 000 to 130,000 per annum (Rs.240, 000 to 260,000 over two year’s duration of the programme).**
7. 85% of selected students are from financially destitute section of the society and their average family income is below the average poverty line (Income) defined by the Gov. of India.
8. Lodging, boarding, transportation, tuition fees, school fees are fully provided free of charge to all GIFTED30 students.
